DETAILED ACTION

This communication is in response to amendment received on 6/30/09.

Claims 1 – 15 and 20 – 25 are presented for examination.

Allowable Subject Matter

Claims 1 – 15 and 20 – 25 are allowed.

The following is an examiner's statement of reasons for allowance: As to claims 1 - 11 and 20 - 25, the reasons for allowance are the same as presented in office action mailed on 3/30/09.

As to claims 12 - 15, the prior art fails to show deploying at or above the seafloor a horizontal electric dipole (HED) transmitter and at least one receiver, the receiver including a vertical electric dipole (VED) detector; and collecting from the at least one VED detector VED response data induced by the HED transmitter. These features taken together with the other limitations of the claim renders the claims allowable over prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2858
